Vue.js

Inertia.js

Laravel | Livewire

TailwindCSS

Javascript | Typescript

GraphQL | Lighthouse PHP

MySQL

Git | GitHub Actions | CI/CD

ACHIEVEMENTS

Comprehensive Presentation of the Document Tracking Assistant (11/2024)

*Conducted the initial orientation and training session for the **Document Tracking System** in November 2024 at the Capitol Site offices in Southern Leyte. The session introduced staff to the system's features and workflow, aimed at improving document processing efficiency and enhancing overall transparency in transactions.*

Full Implementation and User Demonstration for the Document Tracking Assistant (01/2025)

*Conducted a follow-up orientation in January 2025, focusing on the full implementation of the **Document Tracking System**. The session included in-depth user demonstrations, system navigation, and real-time simulations to ensure smooth adoption and operational efficiency across all offices at the Capitol Site of Southern Leyte.*

Comprehensive Orientation of the Legislative MS for Sogod So. Leyte (04/2024)

*A half-day orientation conducted in April 2024 at the FCSIT Building, Southern Leyte State University (SLSU), introducing the **Legislative Management System** to key personnel and staff. The session covered practical understanding of the platform's capabilities in streamlining legislative operations.*
